

Speaking on Post SRS Regret

From Someone Who knows What We Have Gone Through Emotionally, Spiritually and Physically

To my peril I became part of the heavily promoted culture shift in the western society that has largely discarded Judeo Christian beliefs for Darwin inspired evolution, secular emerging liberalism, subjectivity, tolerance, and relativity. Tragically people have come to believe that same sex and transgender behaviors are to be natural alternates of human sexuality.

I listened to decades of advocates and lobbyists aided by the corrupted mass media force-feeding one sided sympathetic views portraying homosexual & transgender persons as victims of a hateful and intolerant society. Sadly many including myself believed activists, peers, and the mainstream media while refusing to consider any contrary evidence or testimonies.

I had taken to heart the same old storylines of being a woman trapped in a man's body. I also had heard that gender is a psychological construct and that transitioning to female was a journey to my true self. My unrealized soul became consumed with a misdirected vision by altering the outward physical appearance. I believed it to be a remedy for my internal gender confusion.

I had become blinded to the deception and long term consequences. I had made life altering decisions based on my mixed emotions ranging from selfish narcissism to self-hatred.

I had harmed not only myself, but loved ones and friends. Obsessed with buying women's clothes and makeup, taking female sex hormones, electrolysis, legal name and identity change. I had cross lived full time as a woman, attending psychiatric assessments and finally sex reassignment surgery.

Sadly many transgender people are coming to realize as I have that living life as the opposite sex results in being impeded by an increasingly amplified awkward true introverted self-complete, with inferiority complexes and confusion. My post sex reassignment surgery was initially "mission accomplished". The journey was completed. However; slowly reality began to set in as I was having emotional

difficulties. I had become psychologically paralyzed in a prison of fear and unable to adapt in my "new" gender.

I had been hormonally and surgically altered. I had become legally the opposite sex. However; I began feeling like a "twisted pretzel", with seemingly inescapable moral & emotional burdens of guilt and responsibility. I knew I was not a woman and began to feel as if I was a manufactured counterfeit imposter.

I felt like a fugitive on the run living in continual fear of discovery, shame, embarrassment, and humiliation. I had found myself to be middle aged, alone, sad, and unable to advance in my personal life, or able to gain supplemental employment. At times I had wished for an end to my misery.

Where Do We Go From Here Now That We know this Was Not of God ?

The feelings of failure had been the beginning of a spiritual awakening and a realization of my eternal soul. I had become drawn to the potent fire and brimstone puritan Calvinistic preaching. I had a strong desire to know God's absolute truth no matter how awful or compelling it may of sounded to me.

“God created man in his own image, in the image of male and female created he them”. Gen 1:27

I also had found another reference that spoke to me Deut.22:5 “A woman shall not wear anything that pertains to a man, nor shall a man put on a woman’s garment, for all who do so are an abomination to the LORD your God”. Deut.22:5

As I continued to search I found the following verse as well. *He that is emasculated shall not enter into the congregation of the LORD. (Deut 23:1)*

There it is, God's Words. An arrow of divine truth piercing my awakening soul completely opposite to that of modern day secular human views.

I began feeling as if God would never forgive me, but as I continued with my bible, I had found a verse that I could relate to...*For there were some eunuchs which were so born from their mother's womb: and there are some eunuchs, which were made eunuchs of men: and there be eunuchs which have made themselves eunuchs for the kingdom of heaven's sake. He that is able to receive it let him receive it (Matthew 19:12). As a post SRS I felt like a eunuch; having been emasculated and assumed I had committed an unforgiveable sin fully deserving of death, eternal punishment, and hell.*

Then I had read *Acts 8:27&28,36-39* the Ethiopian eunuch was reading the book of Isaiah when the angel of the Lord sent Philip to convert him

in what may be called the Greatest Miracle in the Desert and it was the same book of Isaiah that Philip used in preaching to the eunuch and leading the eunuch to Christ. Circumstances of this amazing conversion excite our admiration of the Providences of God such as the conversion of Paul on the road to Damascus. Consistently I am currently in the book of Isaiah as part of my bible-reading plan.

I had discovered that Jesus Christ had plans for me and all who believe. It's not instant faith healing, or an instant miraculous transformation but a process of becoming God centered instead of self-centered. Knowing and understanding God's truth is necessary to understand His grace and mercy. Opening my mind to acknowledge Transsexualism was a sexual sin warring against my never dying soul, and asking for forgiveness instead of rebelling against the truth, Jesus paid the penalty for all of my sins on the cross at Calvary.

I have a heart to know God, as a sinner penitent (being humble) with feeling contrite (expressing my sincere remorse). I mourned over my sins, and learned how to set aside pride, vanity, feelings, sensibilities, and not to be offended by any of Gods laws and commandments.

God's Blesses by Revealing Absolute Truth and His Grace and Mercy

God has blessed me to of been fortunate that my late father, mother, and my siblings loved me despite the hurt and confusion I had caused them.

God has opened my eyes and softened my heart to His word. I know He desires of me to be a witness to His grace and the truth. God had led me subsequently to Help 4 Families ministry. Help 4 Families is a wonderful example of how He displays grace and mercy through His people. Help 4 Families has afforded me an opportunity to be part of God's plan to be a witness to His grace and truth writing my own words sharing my very painful testimony with tears and humility. They loved me right where I was.

God's hand has guided me to an old-fashioned fundamental local worship church that is a bible believing. We sing traditional hymns and have teachings only from God's words. This church does not compromise His truth. The local church family cares for each other and shares the joy with believing in the Lord.

Instead of the endless external searches for life's meanings, the Spirit of Truth is my anchor for my soul and has lead me to the focus on eternal life, not temporal living.

I know one day the Lord is going to restore everything to right and He has given believers such as myself new light, hope and optimism for a very bright future.

As Charles Spurgeon said: "If thou receive not His perfect, unrivalled blood-washing, thou art no Christian. Whatever be thy profession, whatever thy supposed experience, whatever thy reformation, whatever thou mayst have attempted or accomplished, if thou hast never come as a guilty one, and seen thy sin laid upon the bleeding Son of God, thou art in the gall of bitterness and in the bond of iniquity. ... Without faith in the atonement thou canst have no part in Christ" (C.H.S., Sermons, 16, 220 & 223).

It is my prayer that you know Jesus Christ as your personal Savior and the love He has for you. Beck
